

House and Senate Name Perkins Conferees

On July 12 and 13, 2006, the House and Senate appointed conference committees to work out the differences between the House and Senate versions of Carl Perkins reauthorization legislation. The general feeling among congressional staffers is that the appointment of conferees is a very positive signal that Perkins reauthorization will be completed this year.

House Committee Members:

Howard McKeon, Chairman (R-CA)
Michael Castle (R-DE)
Mark Souder (R-IN)
Tom Osborne (R-NE)
